What is Dual Credit?

✓ Dual Credit allows students to earn both high school and college credit simultaneously at their high school.

(Example: ENG III AP/Dual

(a course equivalent to 6 college hours: ENGL 1301 & ENGL 1302)

✓ College credit is awarded as long as the student earns a 70 or higher each semester.

✓ Awarding of college credit comes from a local community college (Northwest Vista College).

**It is recommended that students check with their intended university to verify the credits will transfer.

Course Information

- ❖ What should you expect as a Dual Credit Student?
- ❖ You will be considered a college student!
- ❖ The grade you earn in the course will follow you from this point forward on your college transcript.
- ❖ In order to stay in good Academic Standing and continue participation in the Dual Credit Program, a student cannot make any grade below a C (70-79) in any dual credit course.
- ❖ It is the student's responsibility to know all important deadline dates when applying for the DC program.

HIGHER EDUCATION TRANSITION

- Transferability
- Savings
- Matriculation
- Retention
- Time to degree

WHAT is this?!

College is gonna be no joke!
But I'm ready for it!

No really. WHAT IS THIS?

I was right not to give up!

I don't understand.

I'm going to try some new strategies. Like, I
might study!

I can't do this.

Maybe I'll ask for help?
From my teacher?
A friend? My folks?

OMG I just got my
first exam score. I give up...

I will try again.

COLLEGE CREDIT EARNED

90%

OnRamps awarded **over 67,000 semester credit hours** in 2018-2019, and 90% of eligible students earned college credit.

COLLEGES ATTENDED

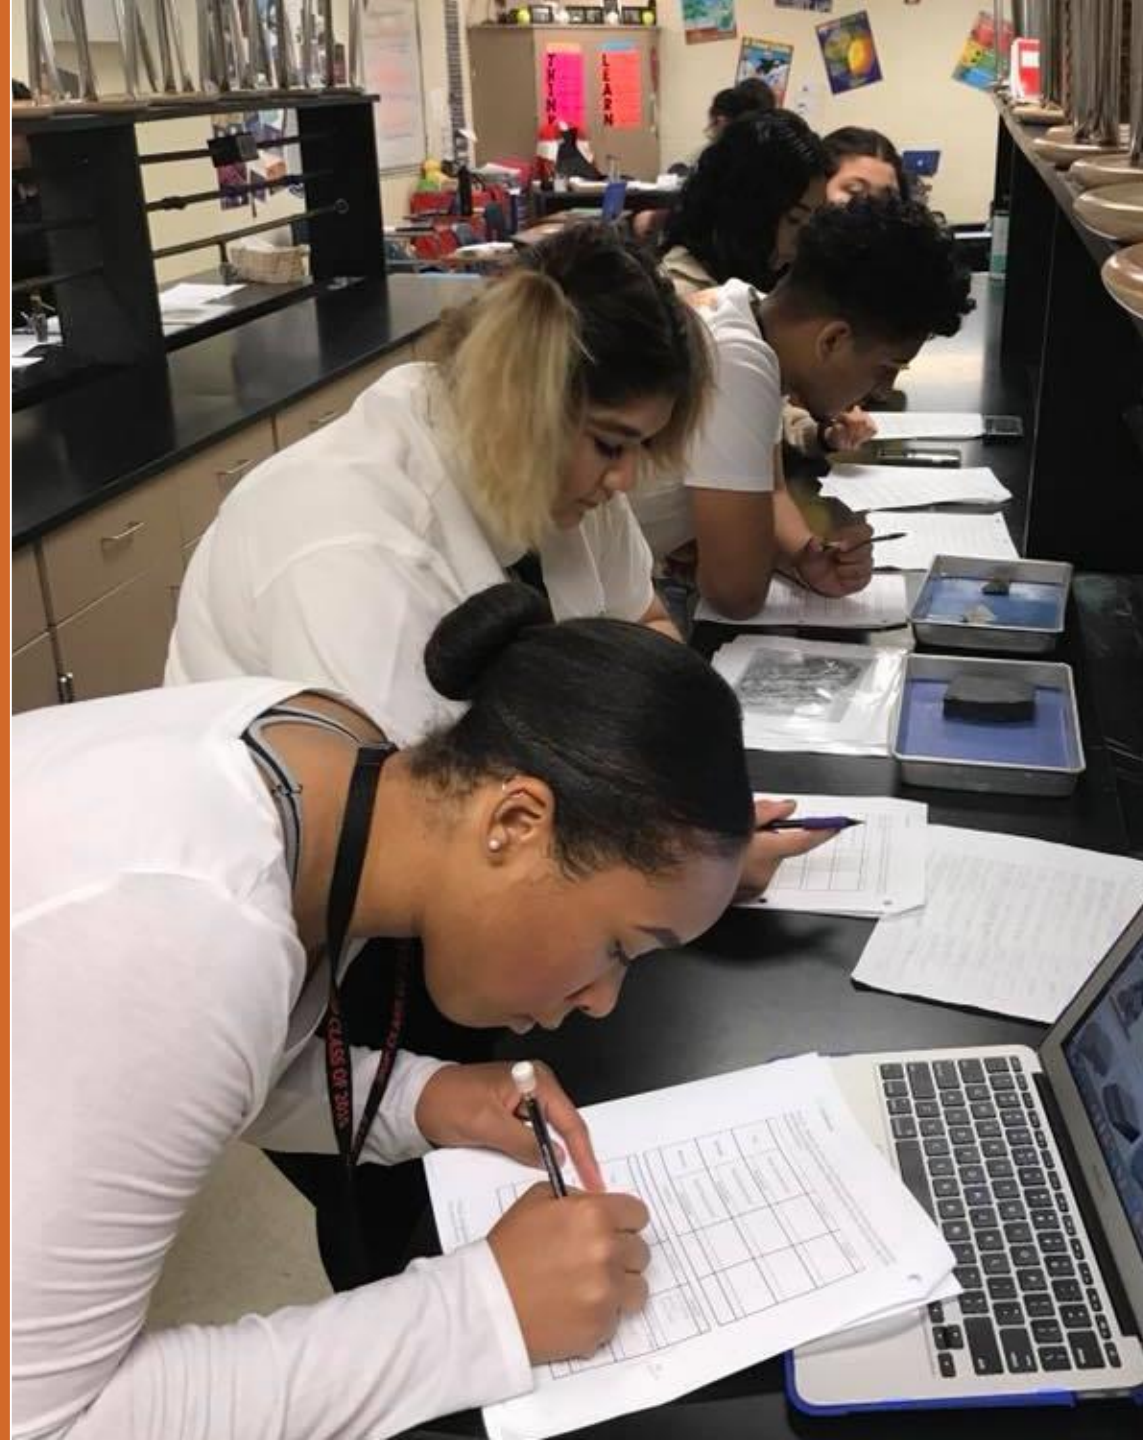

“

OnRamps has definitely challenged me this year. This learning experience showed me what responsibilities I will need to prepare myself for in college. It helped my time management skills and my ability to problem solve.
